About Wilson

wilson
A fresh take on talent

The rapidly changing business landscape and critical skills shortages are making it increasingly difficult for organizations to find the right people at the right time. But Wilson can help. We deliver high-achieving, diverse talent at speed and scale to drive workforce success and boost bottom line.

RPO

As one of the world's leading RPO providers, we'll help you supercharge your recruitment process. You'll get a dedicated team of experienced recruitment professionals, armed with cutting-edge technology, workforce analytics and talent intelligence to build a next-gen workforce with diverse, high-achieving talent that gives your organization a competitive edge.

TALENT ADVISORY

We transform talent acquisition into a strategic, business-impacting function. From employment branding and tech stack consulting to future of work planning and market research, we help you identify and assess the internal and external forces impacting your business. All our talent insights are backed by data and talent intelligence to provide strategies that propel your company forward.

CONTINGENT WORKFORCE SOLUTIONS

We provide a comprehensive suite of contingent workforce solutions that go beyond the traditional MSP and staffing models. Whether you need direct permanent hire, temporary staffing (including gig workers like freelancers and independent contractors), volume hiring, payroll solutions, or managed services, we can help so you can focus on other strategic initiatives.

EXECUTIVE SEARCH

Our executive search team places high-impact leadership talent, enabling businesses across the world to unlock their full potential and achieve maximum growth. We leverage the latest technology and talent intelligence and our global in-house research team spans multiple timezones to offer 24/7 support.

TALENT INTELLIGENCE

In a constantly evolving and often volatile labor market, characterized by fierce competition for top talent, organizations need agile, data-driven strategies to stay ahead. Our AI-powered talent intelligence and labor market analytics help organizations make more strategic decisions about talent acquisition and business strategy.

INTEGRATED TALENT SOLUTIONS

Our integrated approach leverages meaningful partnerships focused on helping you build and maintain sustainable workforces. These solutions are centralized and catered to your business to solve complex workforce challenges, ensuring you have the right talent for today and tomorrow.

WE'LL HELP YOU:

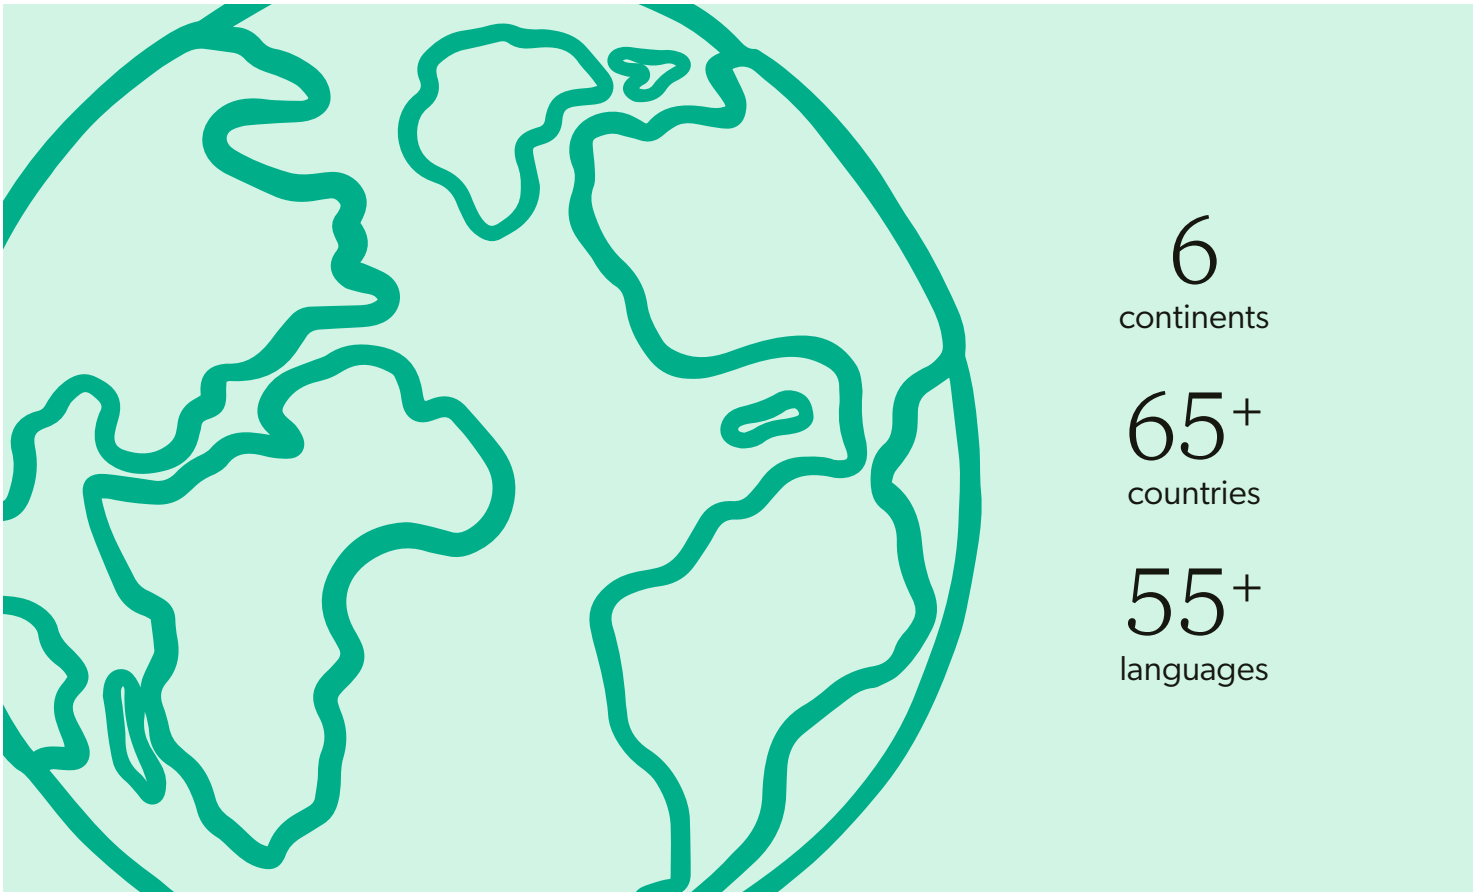

Access the latest technology, AI-powered talent intelligence and labor market analytics needed for effective workforce planning and recruitment strategies.

Access the talent needed to land new clients, build capabilities, close skills gaps, test new markets, develop new products and much more.

Transform your talent function into a revenue-generator.
